

Occupational Course of Study

“The Occupational Course of Study is available for those students with disabilities who are specifically identified for the program and has adapted course requirements and the same credit requirements as FRC (Future-Ready Course of Study).” [NC Dept of Public Instruction Graduation Requirements](#)

“The OCS Pathway is a diploma pathway option with requirements that are intended to build work ready and community college ready skills. The consideration of the OCS Pathway for students who wish to attend a 4-year college or university upon graduation is not an appropriate option.” [NC OCS Guidelines & Resources](#)

Home schools may choose to adopt similar requirements with understanding that their graduates will not be eligible for a 4-year college or university.

Links are to free online resources to meet the requirements.

Four English credits that shall be:

- 1.English I <https://allinonehighschool.com/litandcomp1/>
